Approved For Release 2001/03/30 : CIA-RDP78-03991A000200040001-4

3. Staff Items of Interest

a. Development of Inspection Check Lists - (continued item)

Attended meetings with Department of the Army and Department of the Navy representatives from the respective Inspection Staffs to discuss inspection policies and procedures in effect within the Army and the Navy. This completes the Department of Defense review. Action will be taken to design inspection check lists suitable for use within the logistics field.

b. Revised Shipping Procedures - (new and completed item)

A simplified procedure for notifying the [REDACTED] of materiel to be shipped overseas through [REDACTED] has been developed and will be placed into effect in the near future. This new procedure will eliminate unnecessary typing and expedite notification to the [REDACTED] as to shipments to be handled by that installation.
